

Facial Services

ageLOC LumiSpa iO

- Provides instant benefits so skin feels softer and smoother after just one use.
- Delivers seven skin benefits: skin renewal, smoothness, radiance, a more refreshed look, purified skin, minimized appearance of pores, and increased appearance of volume and density.
- ageLOC LumiSpa uses proprietary Micropulse Oscillation technology, action that draws out dirt, oil, makeup, pollutants, and toxins and lifts them away without irritating skin while helping to support healthy skin proteins.
- Soft silicone treatment heads are embedded with antimicrobial silver and are more hygienic, less abrasive, and easier to clean than bristle heads commonly found on the market.
- CLINICALLY PROVEN

ageLOC Tru Face Essence Ultra

- A powerhouse treatment featuring exclusive firming technology
- ageLOC targets the sources of aging to help preserve the look of youth and reduce the appearance of aging.
- Specially formulated with Tru Face FirmPlex to deliver visibly firmer skin than ever before.
- Helps visibly lift and firm skin and improve elasticity and bounce for a healthier, more youthful, lifted look.

ageLOC Facial Spa

- Nu Skin Facial Spa to improve facial contour and make skin look more voluminous. This powerful device stimulates and tones your skin for an improved appearance. A medical skin care solution. Nu Skin® Facial Spa uses microcurrent technology to stimulate and tone your skin. Indulge in a rewarding for visible results.
- Stimulates skin for improved appearance.
- Provides facial toning, improving facial contour and making skin look more voluminous.
